

St. John's School, Babhanauti, Bhadohi

School Anthem

1. *In this temple of learning, our bright future gleams,
You guide our hearts, you nurture our dreams.
Truth is our beacon, steady and clear,
Shaping our spirit year after year.
O St. John's School, our pride, our light,
You lead us onward with wisdom and might.*

Chorus

*Hail St. John's, our noble guide,
Where truth enlightens and hopes abide.
With love and loyalty, strong and true,
Our dear alma mater, we honour you.*

2. *With courage we strive, with wisdom we seek,
With harmony gentle, with hearts that are meek.
Hope is our lantern, love lights the way,
Guiding Johannines by night and by day.
Together we march with spirits aglow,
Pledging our faith wherever we go.*

3. *Golden memories we hold in our heart,
Childhood and youth, a bright work of art.
We pledge to seek truth in all that we find,
To light up our hearts and enlighten the mind.
With kindness and love in all that we do,
O St. John's School, we'll be ever true.*
